

Tideswell & District Annual General Meeting

Item 6 - Nominations and Elections of Honorary Officers

TDEG has the following Honorary Officers, and the people listed here are happy to continue in these roles. There is one current vacancy.

Chair - Lynn Crowe

Secretary - vacant

Treasurer - Rob Mitson

Communications lead - Claire McKenzie

The Honorary Secretary position has been held by Andrea Mitson over the previous year. Andrea was one of the original founding members of TDEG, and we would like to thank her for all her excellent work starting our group and managing all our secretarial work since. Andrea now wishes to step back from this role, so she can focus on other interests and commitments.

The TDEG Steering Group would like to nominate Alice Overton to the post of Honorary Secretary. Alice has been assisting Andrea in the last few weeks, as well as being very involved in other local groups in the area, in various positions.

The Steering Group would also like to propose that the other sitting Honorary Officers, Lynn Crowe, Rob Mitson and Claire McKenzie, are re-elected to their positions for 2020-21.

If you have any other nominations for the above posts, please send these by email to info@tdeg.org.uk by Wednesday 17 June.
