Bag2School Collection

Bag2School collect any unwanted clothing, bedding, shoes, belts, handbags and soft toys that you no longer need. They are either recycled within the manufacturing industry or sent to third world countries. School receive a sum of money on the weight of the total bags collected.

This provides us with a valuable source of income therefore can you please have a good sort through any unwanted items and place them in any standard bin liner bag and send them up to the school on the morning of **31st March**, which is our collection day. Bag2School will collect between 9am and 1pm so bags should be left inside the double gates at the school entrance. Please mention to neighbours and friends if possible.

Leaflets will follow during the week commencing 7th March.

Many thanks for your help with our fundraising efforts.
